

GENERAL STUDIES PROGRAM ADVISING FACULTY – SUMMER 2023

General Studies students are encouraged to meet with a counselor and/or program advisor every semester to discuss course selections, major requirements, transfer and career options, and more. Please contact faculty listed below by email to schedule an appointment. Walk-ins are also welcome during listed office hours – please pay attention to campus and office location and if faculty will be available in person or virtually over summer. More information on the General Studies program and recommended degree paths for specific disciplines can be found on the [General Studies Program website](#). If you are unsure who to contact and prefer to be connected with a program advisor, you may also complete the [program advisor request](#) form and we will connect you with an appropriate program advisor.
