The request for certification form **MUST** be completed and submitted every term you wish to receive your GI Bill or TA benefits and may not be used for more than one term. By completing and submitting this form a “hold” can be placed on your class schedule so your courses are not dropped for non-payment while we process your file with the VA. Please email this form to va@montgomerycollege.edu.

**Disclaimer: the charts above are to be used as guidelines only. To find out exactly what your housing allowance /stipend will be you must contact the VA directly at 1-888-GI BILL1.*

- Housing, books and supplies stipends are paid “in arrears.” This means that housing stipend for the month is usually paid the beginning of the following month. We expect the first allowance/stipend payments of the Spring 2023 term to be paid at the beginning of March and will include your February housing allowance/stipend and the prorated portion of your January housing allowance/stipend.

Winter/ Spring 2023 FAQs

- The housing allowance and stipends are only paid for the duration of the classes you are enrolled in. For example: if you are enrolled in a class that ends on March 15 your last payment for the class would be paid in April and it would be prorated for 15 days.
- Full-time students taking all online (distance learning) courses will receive a housing allowance of \$825.00 per/month.
- Remedial/developmental courses **MUST** be taken in person.
- Remote classes are certified as online classes.
- **WINTER ENROLLMENT**
All Winter 2023 classes will be offered online. A Winter 3-credit hour course may be considered full time but at lower BAH rate. **We expect Winter housing allowance/stipend payments to be paid in February and payments will be a prorated amount for December and January.**

Chapter 33 Post 9/11 GI Bill Book Stipend

Chapter 33 students will receive an annual book stipend of up to \$1,000/year with the Post-9/11 GI Bill. It is paid proportionately based on the number of credits taken by each student at \$41 per credit hour. Payment will come directly to the student via check or direct deposit from the VA.

Certification of educational CH.33 benefits is always a two-step process. In step one we certify your enrollment to the VA which will get the ball rolling on your housing payments (if you are eligible to receive housing payments). In step two we will bill the VA for your classes, this usually takes place after add and drop period for the courses.

Enrollment verification is a requirement for Post-9/11 GI Bill students

This requirement is only for Post-9/11 GI Bill and does not impact other programs.

If you are a Montgomery GI Bill® (MGIB) student, this new requirement does not represent a change for you, as MGIB students are already required to verify enrollment.

How do I verify enrollment? You can verify enrollment using the following methods:

- **Via Text Message**

Students with a U.S. mobile phone number can use text messages as a simple, quick option for verifying monthly enrollment. You will receive the following opt-in text: "POST-9/11 GI BILL HOUSING AND KICKER PAYMENTS NOW REQUIRE MONTHLY ENROLLMENT VERIFICATION. WOULD YOU LIKE TO SUBMIT YOURS VIA TEXT? PLEASE REPLY YES OR NO." **Reply "YES" to opt in.** The text message link will expire **14 days after receipt**, so please respond within that time frame. After opting in, you can verify your enrollment simply by responding to the following text message from VA: "DID YOU REMAIN ENROLLED IN YOUR COURSES IN MON YYYY AS CERTIFIED?"

Winter/ Spring 2023 FAQs

PLEASE REPLY YES OR NO. IF YOU HAVE DROPPED ALL YOUR COURSES, YOU MUST REPLY NO.”
Reply “YES” to verify enrollment for the previous month.

Please be assured that enrollment verification via text message is safe and secure. The VA will **never** ask for your personal information, such as social security number or bank account information, via text.

VA **strongly recommends this method** for verifying enrollment. It will be easier and faster than calling the ECC.

If you’re not sure if VA has your phone number on file, please contact the Education Call Center

(ECC) at 1-888-GIBILL-1 (1-888-442-4551) to ensure VA has your mobile phone number.

- **Via Education Call Center**

Contact the ECC at 1-888-GIBILL-1 (1-888-442-4551) and ask a representative to verify enrollment on your behalf. NOTE: ECC wait times may be high due to the number of students verifying enrollment each month.

If you opt out of text verification and later change your mind, or need to update your mobile number on file, you can opt into text message verification by calling the ECC at 1-888-GIBILL-1 (1-888-442-4551).

What happens if I fail to verify my enrollment?

If you fail to verify enrollment for two consecutive months, your MHA/kicker payments will be placed on hold. You must take steps to verify your enrollment to have the payments released.

Why am I being required to verify my enrollment?

By regularly verifying your enrollment, you protect your GI Bill entitlement by preventing charges for classes or training you did not attend. Though this new requirement is an additional step, enrollment verification is easy to do and will help you better manage and access your earned benefits, as well as help prevent overpayments.

If you have questions about the monthly verification requirement or if/when it applies to you, contact a VA education representative at 1-888-GIBILL-1 (1-888-442-4551) domestically or 001-918-781-5678 overseas.

REMINDER: If you decide not to attend classes, you are responsible for dropping them and notifying the school VA Office of any schedule change(s). If you do not fulfill this obligation your benefits may be delayed. If you drop classes, you are required to return the funding that you have been provided. In addition, if you stop attending class(es) this will be reported to the VA as unsatisfactory attendance and will create a debt for you with the VA and Montgomery College.
