

## Montgomery College Project Management Certificate Electives Fall 2022

Course Title	Course #	CRN#	Description	Cost	Schedule
Increasing Influence for Project Managers	PMC043	25045	Influence is the ability to have an effect on someone or something. Influence is used by project leaders throughout all phases of a project. Individuals can actively strengthen their influence to be more successful in the work environment- whether at the leadership level or not. This course will define influence, review how influence can be used on projects, discuss sources of influence, and provide practical tips on how to strengthen your own influence within the project environment.	<b>\$165</b> (Tuition: \$75 + Fee: \$90)	Oct. 17-Oct. 19 M,W: 6-8:30pm  (SR)
Strengthening Effective Communication on Projects	PMC044	25046	This course provides a basic understanding of the fundamentals of effective communication and reviews how communication can help lead to project success. Everyone involved in projects can benefit from strengthening their ability to effectively communicate. Topics covered include active listening, audience identification, purpose definition, and effective delivery. Through instruction, hands on exercises, and class discussions, these skills will be strengthened for the project environment.	<b>\$165</b> (Tuition: \$75 + Fee: \$90)	Nov. 14-Nov.16 M,W: 6-8:30pm  (SR)
Sustaining Resilience on Projects and Life	PMC045	25044	This course provides insight into what makes people resilient. The inherent risk of project environments requires resiliency. Insight and practical application opportunities will be provided to help participants strengthen their resilience and ensure they can sustain it over a long period. Lessons learned from the pandemic will also be considered.	<b>\$165</b> (Tuition: \$75 + Fee: \$90)	Sept.19-Sept.21 M,W: 6-8:30pm  (SR)
